MONOC Employees Donate 100 Turkeys to Help Those Less Fortunate

Thanks to the generosity of Monmouth-Ocean Hospital Service Corporation (MONOC) employees, one hundred more families will be able to celebrate Thanksgiving this year with a turkey and all of the trimmings. Through an internal donation drive dubbed “Operation Gobble Gobble,” MONOC was able to donate to the Foodbank of Monmouth and Ocean Counties 100 turkeys, 182 pounds of non-perishable food, and a monetary donation to help area families. Beyond providing compassion and expert care to all of our patients on a daily basis, Operation Gobble Gobble is just one more way that MONOC employees can help out in the community we serve.
